

How can we become more of an Acts 2 kind of church?

They devoted themselves to the apostles' teaching and to fellowship, to the breaking of bread and to prayer. (Acts 2.42)

Teaching

In what format would you prefer, outside of Sunday morning services, to learn more about scripture and living as a Christian? (Please order your preferences 1-3)

- Week night group study
- Week night class
- Sunday morning class

What are some topics that you would like to see addressed in a study/class context? _____

Fellowship

In what ways do you believe we could better share our lives together as a community of faith? (Activities to build relationships, accomplish tasks together or serve others together.) _____

Breaking of bread

Eating together was a central part of the early church's life and builds relationships better than most other activities. Would you support us having a (probably pot-luck) lunch after the service on Sundays:

- once a quarter?
- on communion Sundays?
- once a month other than communion Sundays?
- not interested in lunch on Sundays

Prayer

What do you think is the best way to encourage a life of prayer and worship in our church community?

- By integrating it into study groups/classes?
- By having a dedicated prayer meeting?
- By having a separate, extended worship service from time to time?

My personal involvement

I would be interested in helping to make some of this possible by (check as many as you like):

- Hosting a group in my home
- Leading a group study (with appropriate support and materials)
- Teaching a class (with appropriate support and materials) for adults or children
- Planning/facilitating church activities to
 - build relationships
 - accomplish tasks
 - serve others
- Planning/facilitating church meals
- Leading/facilitating a prayer meeting
- Serving on the worship team
- Other _____
